

Journey

Pre-operative DO's and DONT's

Brush your teeth at least twice per day.

Have a meal before the procedure. Make sure you are not hungry.

Use cleaning aids such as mouth wash, floss, and any others.

Avoid colored food on the procedure day.

Refrain from smoking, as tobacco has a negative impact on oral health

Don't drink coffee or tea on the day of procedure.

Treatment results are dependent on the patient's age, natural tooth colour, bone structure, and oral health. If you have any queries, please do not hesitate to email to info@longevity.co.uk
